"Let's see, I have only 10 more pages of homework."

"Look, Mom! One hand and I created a masterpiece!"

Brad - "When is this class over?"

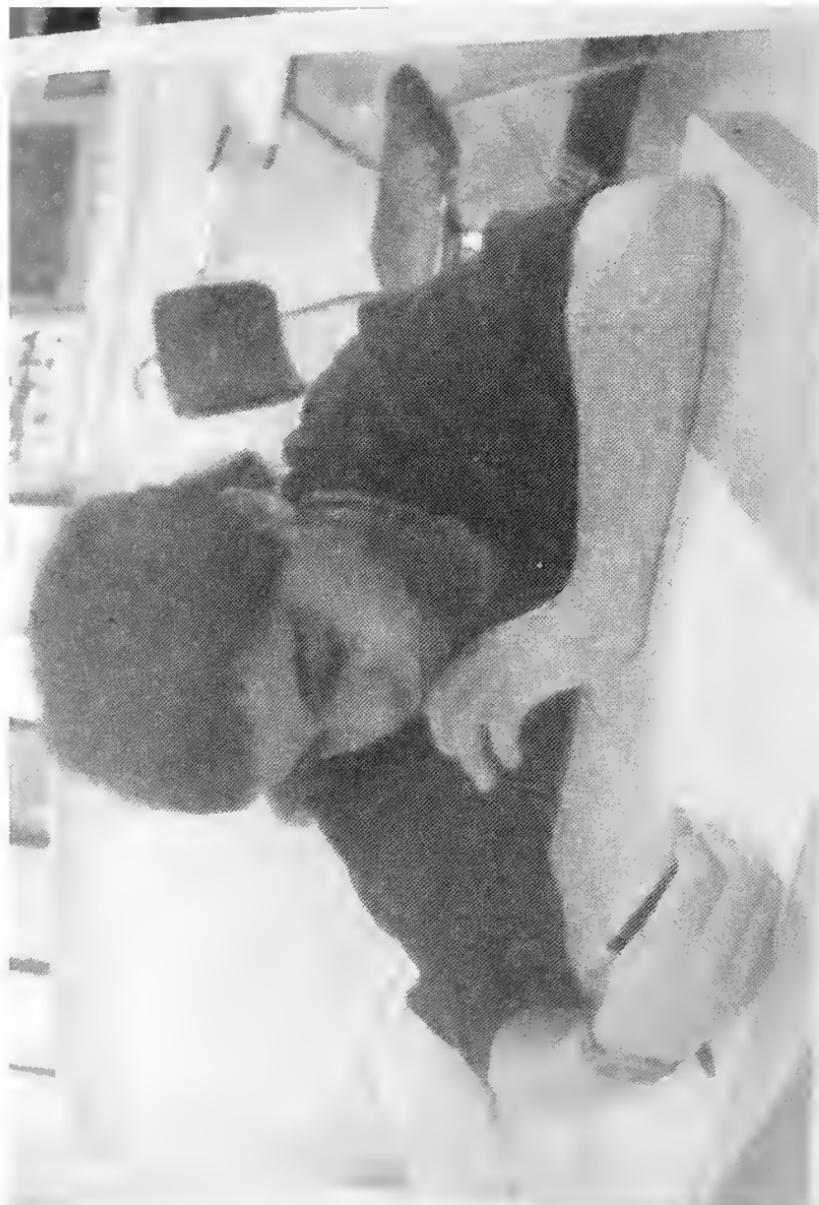

"Hey, is Miss Kinnison watching us?"

I don't want to do this. My mind is on lunch.

HAPPY HALLOWEEN

WE MAKE A DIFFERENCE

Don't think that smile is going to get you a better grade.

"Please don't call on me!"

"How many more minutes until lunch?"

"What can we make out of this string?"

"Hey, what's the answer to question 200?"

I need to hurry - Mrs. Friel needs this machine.
